

§ 60-2.18

(1) Monitor records of all personnel activity, including referrals, placements, transfers, promotions, terminations, and compensation, at all levels to ensure the nondiscriminatory policy is carried out;

(2) Require internal reporting on a scheduled basis as to the degree to which equal employment opportunity and organizational objectives are attained;

(3) Review report results with all levels of management; and

(4) Advise top management of program effectiveness and submit recommendations to improve unsatisfactory performance.

§ 60-2.18 [Reserved]

Subpart C—Miscellaneous

§ 60-2.30 Corporate management compliance evaluations.

(a) Purpose. Corporate Management Compliance Evaluations are designed to ascertain whether individuals are encountering artificial barriers to advancement into mid-level and senior corporate management, *i.e.*, glass ceiling. During Corporate Management Compliance Evaluations, special attention is given to those components of the employment process that affect advancement into mid-and senior-level positions.

(b) If, during the course of a Corporate Management Compliance Evaluation, it comes to the attention of OFCCP that problems exist at establishments outside the corporate headquarters, OFCCP may expand the compliance evaluation beyond the headquarters establishment. At its discretion, OFCCP may direct its attention to and request relevant data for any and all areas within the corporation to ensure compliance with Executive Order 11246.

§ 60-2.31 Program summary.

The affirmative action program must be summarized and updated annually. The program summary must be prepared in a format which will be prescribed by the Deputy Assistant Secretary and published in the FEDERAL REGISTER as a notice before becoming effective. Contractors and subcontractors

41 CFR Ch. 60 (7-1-09 Edition)

must submit the program summary to OFCCP each year on the anniversary date of the affirmative action program.

§ 60-2.32 Affirmative action records.

The contractor must make available to the Office of Federal Contract Compliance Programs, upon request, records maintained pursuant to § 60-1.12 of this chapter and written or otherwise documented portions of AAPs maintained pursuant to § 60-2.10 for such purposes as may be appropriate to the fulfillment of the agency's responsibilities under Executive Order 11246.

§ 60-2.33 Preemption.

To the extent that any state or local laws, regulations or ordinances, including those that grant special benefits to persons on account of sex, are in conflict with Executive Order 11246, as amended, or with the requirements of this part, they will be regarded as preempted under the Executive Order.

§ 60-2.34 Supersedure.

All orders, instructions, regulations, and memorandums of the Secretary of Labor, other officials of the Department of Labor and contracting agencies are hereby superseded to the extent that they are inconsistent with this Part 60-2.

§ 60-2.35 Compliance status.

No contractor's compliance status will be judged alone by whether it reaches its goals. The composition of the contractor's workforce (*i.e.*, the employment of minorities or women at a percentage rate below, or above, the goal level) does not, by itself, serve as a basis to impose any of the sanctions authorized by Executive Order 11246 and the regulations in this chapter. Each contractor's compliance with its affirmative action obligations will be determined by reviewing the nature and extent of the contractor's good faith affirmative action activities as required under § 60-2.17, and the appropriateness of those activities to identified equal employment opportunity problems. Each contractor's compliance with its nondiscrimination obligations will be determined by analysis of

statistical data and other non-statistical information which would indicate whether employees and applicants are being treated without regard to their race, color, religion, sex, or national origin.

GENERAL PRINCIPLES

§ 60-3.1 Statement of purpose.

A. Need for uniformity—Issuing agencies. The Federal government's need for a uniform set of principles on the ques-

tion of the use of tests and other selection procedures has long been recognized. The Equal Employment Opportunity Commission, the Civil Service Commission, the Department of Labor, and the Department of Justice jointly have adopted these uniform guidelines to meet that need, and to apply the same principles to the Federal Government as are applied to other employers.

B. Purpose of guidelines. These guidelines incorporate a single set of principles which are designed to assist employers, labor organizations, employment agencies, and licensing and certification boards to comply with requirements of Federal law prohibiting employment practices which discriminate on grounds of race, color, religion, sex, and national origin. They are designed to provide a framework for determining the proper use of tests and other selection procedures. These guidelines do not require a user to conduct validity studies of selection procedures where no adverse impact results. However, all users are encouraged to use selection procedures which are valid, especially users operating under merit principles.

C. Relation to prior guidelines. These guidelines are based upon and supersede previously issued guidelines on employee selection procedures. These guidelines have been built upon court decisions, the previously issued guidelines of the agencies, and the practical experience of the agencies, as well as the standards of the psychological profession. These guidelines are intended to be consistent with existing law.

§ 60-3.2 Scope.

A. Application of guidelines. These guidelines will be applied by the Equal Employment Opportunity Commission in the enforcement of title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972 (hereinafter "Title VII"); by the Department of Labor, and the contract compliance agencies until the transfer of authority contemplated by the President's Reorganization Plan No. 1 of 1978, in the administration and enforcement of Executive Order 11246, as amended by Executive Order 11375 (hereinafter "Executive Order 11246");
